SSD Global Solutions offers a softer approach to problem-solving and decision-making.

Learn basic project management and how to make all your activities better, faster and more cost-effective,

Certified Lean Healthcare Facilitator

In Addition to Certification Our Workshop Provides:

- A Comprehensive Review/Refresher of Basic Project Management Complete with Easy-to-Use Templates
- An Overview of Lean, Agile and Six Sigma - Learn How these Disciplines Can Be Applied to Healthcare to Make **All** Your Projects and Activities Better, Faster and More Cost-Effective Immediately!
- Tools to Use and Teach to Others on How to Gain Buy-In, Get Consensus and Promote Your Ideas

How Can Being A Certified Lean Healthcare Facilitator Benefit Me and My Organization?

- In Today's Healthcare Environment Where all Healthcare Professionals are Asked to Do More with Less, this Workshop Shows How You Can Master that Challenge!
- As a Certified Lean Healthcare Facilitator You can Facilitate Meaningful Meetings Using Easy to Understand Critical Thinking Tools to Achieve Rapid Results
- Our "Leaner" Tools Can be Applied to Your Personal Life to Accomplish Even Your Most Difficult Tasks.

Facilitator: *Terra Vanzant-Stern, PhD*, is the author of several books that blend positive thinking with scientific methods promoting rapid and successful decision-making along with easy problem-solving techniques. Her programs are designed to make the workplace less stressful so that professionals can truly focus on meaningful work.

Dr. Stern is a PMP, Six Sigma Master Black Belt and holds a SPHR/GPHR. She makes learning fun and entertaining. She offers her students continued support, after the workshop, by providing access to current materials and templates always available free-of-charge. Become part of the SSD Global Solutions family and learn **S**imple, **S**ophisticated **D**ecision-Making techniques that will change your life forever.
