This is a unique opportunity for students who have significant process improvement or project management background and who want to move quickly from Lean Six Sigma (LSS) Black Belt certification through Master Black Belt certification. Students are considered for this program on a one-on-one basis and must meet all criteria to attend. This class is perfect for consultants or individuals interested in building an internal LSS Department.

Phase One of the workshop must be attended from 8:30 a.m. -3:30 p.m. for 5 Days either on-line LIVE or through an Instructor-Led Class. (See Side Panel for Next Available Dates) However, the next three phases are on-line with a personal mentor who works with you via phone conference and email. These additional 3 phases are self-paced and students are given credit for previous experience! **You May Be Closer Than You Think!** Our Leaner Six Sigma training product simplifies the process.

Workshop Highlights Include:

- Refresher/General Training Lean Six Sigma
- Lean & Agile Project Management
- ISO Basics Including ISO 13053
- Rapid Improvement (Kaizen) Events
- Determining/Defending Tangible and Intangible ROI

IMPORTANT NOTE: On-line Student Registration and Payment/Invoice Available at www.SSDGlobal.net AFTER approval. To secure approval please send resume and request to RichardJ.Wells@SSDGlobal.net or call 720-506-4263 to schedule a review appointment. PMP, LSS Green Belts by Reputable Vendor **OR** those with strong process improvement or quality engineering backgrounds generally qualify. Class Size is Limited!
